WELCOME TO CAMPING SUNDAY!
MARCH 7, 2021

Experiencing our welcoming Christian camp community can have a remarkable effect on one's life.

The long-term benefits of camp have proven to help children strengthen relationship skills, appreciate diversity, live in the moment, and deepen their sense of purpose within the natural world and before God.

This summer, more than ever, children are in need of the connections and recreation camping provides.

Please consider supporting this effort by making a donation today or contributing online to our Camp Scholarship Fund or to our safe re-opening during this global pandemic.
