Welcome to Camping Sunday  
March 3, 2024

One week at camp can change a life! Experiencing Christian hospitality and community through the fun of summer camp deepens one's sense of purpose and encourages spiritual growth. Engaging in the outdoors helps all of us strengthen relationship skills, appreciate diversity and challenge ourselves to live in the moment.

Last summer, we were blessed to have strong attendance at both camps. Quinipet served a record number of campers, representing an 11% increase over the previous year. Both camps launched new outreach initiatives, reaching underserved members of our communities.

With growth comes increasing requests for scholarship assistance. We look forward to more growth in 2024 and are asking for your support. Your gift directly supports a child attending Quinipet summer camp and families camping at Kingswood.

Thank you for making a donation today or contributing online. To learn more about our work and how to support our camps:
